Teaching Learning Centre, Tezpur University
06 December-20 December, 2021

Moodle Activities

Complete the activities given below following the instructions.

Activity-I
Creation of a Moodle site

Instructions:
1. Go to https://moodle.com/moodlecloud/, scroll down and find the button 'Try MoodleCloud for free'. Click this button and follow the onscreen instructions to create your own Moodle site. (Our Video on 'Setting up a Moodle site' will help you here)
2. Add at least two users into your Moodle site. For one of these users provide the following credentials
   Username: bipul
   Password: Any password of your choice
   First name: Bipul
   Surname: Sarmah
   e-mail: bipul@tezu.ac.in
3. Create a course in your site giving a name of your choice.
4. Enrol the user bipul@tezu.ac.in into your course.

Activity-II
Submission of Moodle Activity

Instructions:
Submit a **(SINGLE)** screenshot of the home page of your Moodle site against **Assignment I** under class-works in the Google Classroom
https://classroom.google.com/u/4/c/NDMwODY0NDY5Nzkz

Last Date of submission: 17-12-2021
